

Physics for minor subject in the Master's programme mathematics

In the minor subject "physics" **all physics modules (module number B.Phy.XXXX or M.Phy.XXXX)** of the Bachelor's and Master's programme "physics" can be chosen.

Deviating from this, the following module **cannot** be chosen:

Module	Title	Credits	Language
B.Phy.1301:	Mathematical Methods in Physics	(6 C, 6 SWS)	German
